Littlecote Roman villa and House, Wiltshire: archaeology and history (notes for visitors, prepared by the Royal Archaeological Institute, 2017) Not far from Cunetio (see separate entry) in the Kennet valley is a Roman villa at Littlecote The site has the best visible Roman remains in the county; it is now in the grounds of a late

The RAG - WordPress.com

The Brading site on the Isle of Wight has been famous for a long time for its Roman remains and it has again come into prominence by the discovery of another Roman villa, this one dated to cAD 300 The site of the villa had been explored in the 1880's but research was abandoned in the belief that the visible remains were of a mere barn
